Corvus: Been cleaning Marinas for over a year, appreciated business from NFPAMA, looking forward to continuing doing business and submitted bid for cleaning services

Tom Long- tenant at Orleans Marina, haven’t heard anything regarding inspection for lines up to standard, getting taken care of and concerned with it being done before hurricane season

Capo – plan to start eviction process for tenants without current registration and insurance

Helaine – explained all moor lines must be free of chafing, rotting, etc. (paragraph 3, mooring of boat, explain doc lines) Keeping boat lines in top shape protects yourself and other tenants as well (same routine for South Shore Harbor, same letter for both marinas)

- IX. New Business
 - 1) Motion to recommend issuance of a request for qualifications and proposals (RFQ/RFP) for cleaning services at Orleans Marina and South Shore Harbor Marina

Mr. Suthon stated that the RFQ for cleaning services is not only for the marinas but also for the shelters as well, satisfied with Corvus doing cleaning for the marinas, renewal for marinas
